Kamloops BC V2C 1A2

Dear Mayor & Council,

I understand you will be hearing a rezoning application led by the Children’s Circle Daycare Society (CCDS) in the near future. This will be regarding a proposal to make an exchange of land located at 1430 - 9th Avenue, Kamloops. ARPA Investments will design and build a two-floor childcare facility which will be just over 12,000 square feet.

With this new building, the CCDS will be able to continue to provide leadership in design, development and delivery of quality, accessible, universal and developmentally age-appropriate early learning and childcare to the city of Kamloops. The new facility will also allow CCDS to provide expanded services, including new childcare spaces that will alleviate some of the existing and projected childcare and early learning needs in our area.

I believe our community will benefit from this development because \_\_\_\_\_

I would like to register this letter as an acknowledgement of formal support and encourage council to approve the land exchange. I believe that this plan, in collaboration with the great team at ARPA Investments, is for the benefit of local Kamloops families and our entire community.

Sincerely,
